CADET CORPS IS ADDRESSED BY GOV. PINKHAM

The members of the cadet corps of
the Honolulu School for Boys, under
the command of Capt. Gordon Norrie
and 1st Lieut. James Reid, and ac-
companied by Prof. L. G. Blackman,
assembled in front of the Capitol at
4 o'clock yesterday afternoon, where
they were addressed by Governor L.
E. Pinkham. The cadets, who recent-
ly have been fitted out with regula-
tion khaki uniforms, made a splendid
showing, and they listened with mark-
ed attention to the enthusiastic re-
marks of the governor. The governor
was introduced by Professor Black-
man.

"You have made a very good begin-
ning, and you are a fine looking lot
of boys" was the tribute paid by the
governor. "I have no doubt but that
you are a credit to your school as well
as to the territory. I know as you
grow up you will certainly do your
duty. Again I thank you for having
come to make this pleasant call upon
me, and again I compliment you on
your appearance."

SPECIAL CATHOLIC SERVICE.
The Rev. Father McMullen of the
Paulist Fathers of San Francisco,
will say mass and preach at St. Augus-
tine chapel, at Waikiki, Sunday next,
at 9 o'clock a. m.

Governor Pinkham says he will
make no effort to appoint a successor
to Attorney General Thayer until the
latter's appointment as territorial sec-
retary has been formally made by the
president and confirmed by the senate.
It is presumed this means that
unless the appointment and confirma-
tion takes place Mr. Thayer will con-
tinue to serve in his present capacity.

every household. Unequaled as a

NATIONAL GUARD NEWS

The national guard of Hawaii now
has a home of its own. The new ar-
mory has been accepted, and both the
administrative departments of the Ha-
waii militia, and the 1st infantry, N.
G. H., will soon be properly housed.
The adjutant-general's office will
be moved across the street today or
tomorrow, but it is considerable of a
job to transfer the records and files,
and it may be several days before
Colonel Jones has the wheels turn-
ing smoothly in his new quarters.
The adjutant-general and the general
staff corps have the suite of rooms
and offices on the Waikiki side of
the building, while the regimental
offices and officers will be on the
Ewa side.

As the result of the agreement en-
tered into between Secretary of War
Lindley M. Garrison and the adjutants-
general of 30 or more states relative
to a militia pay bill, national guards-
men of this territory are hoping that
a final settlement of this much-dis-
cussed question soon will be reached.
The idea that the secretary of war
will place before the president, who in
turn will have it introduced as an ad-
ministrative measure if he gives it his
approval, is that militiamen who en-
list as "federal reservists" and become
subject to presidential call for duty
within the United States or abroad,
shall, in time of peace, receive a pro-
portion of the compensation allowed
the men of the regular military estab-
lishment.

Massachusetts has not complied with
either circular No. 8 or circular No.
23 of the war department, calling for
the organization of the state militia
along the lines of the regular army,
and stands a most excellent chance to
lose her federal appropriation of
\$146,000. The reason given is small
regimental units and too many brigad-
ier and major-generals.

On January 1 Hawaii complied with
the Dick law governing the formation
of militia units and is in no danger of
losing its federal appropriation.

The assignment of company rooms
will be made by Colonel Coyne within
a few days now. At the present time
only five full sets of company quarters
have been finished, and this means
that the companies will have to dou-
ble up, one using the upper and the
other using the lower floor of each
set, as there are nine companies to
be taken care of.

All the companies are working hard
in preparation for the coming tourna-
ment, and while another few weeks'
practice would do all the organiza-
tions a world of good, it is felt that a
good showing can be made when the
time comes, although it will mean a
lot of hard work for all the compet-

DE TREVILLE TRAMPS TO TOP OF TANTALUS

MME. YVONNE DE TREVILLE, IN
TRAMPING COSTUME.

Yvonne de Treville started early
this morning for a tramp up Mount
Tantalus. Tramping is one of the pri-
ma donna's favorite pastimes and she
attributes her excellent health to the
hours she spends each day in the
open air, either walking or riding.
Although her first concert at the
Opera house will be given tomorrow
evening, she does not stay at home
and pamper her voice as do many fa-
mous singers; instead she continues
her daily routine just the same and
no doubt has more to give because
of the additional vigor gained by out-
door exercise.

Miss de Treville was "up with the
birds" this morning, as they say in
Texas, her native state, and ready for
her long walk. "I am surprised," she
remarked before starting, "at the de-
lightful weather we are having. I
expected it to be uncomfortably warm
here. I have heard it would be so even
in January. Tropical weather always
makes me languid and I didn't expect
to take any long tramps or climb
mountains while here."

Miss de Treville is accompanied by
her mother and her accompanist, Mrs.
Edith Bowyer Whiffen, who is an ac-
complished pianist and has won
much favorable comment from main-
land critics for her sympathetic and
artistic work at the piano.

ing squads during the next two weeks.
Both the 1st and 2d battalions of
the 1st infantry will have at least
two battalion drills within the next
two weeks. Majors Rose and John-
son will announce drill dates within
a few days, and probably some Sun-
day morning will be taken.

BIJOU THEATER

With a host of bright and snappy
musical comedies at their command,
a company of clever artists, assisted
by an attractive background of a doz-
en dancing girls, are passengers in
the Oceanic liner Sierra, to arrive at
Honolulu on Monday morning.

The Spaulding Musical Comedy Com-
pany, 25 strong, represents one of
the best organizations of its kind that
has made a success of the road in
recent years. Well balanced and
bringing a wealth of scenery and prop-
erties, the Spaulding Musical Comedy
Company, which will open at the Bi-
jou theater during the coming week,
is predicted will fill a long list of want-
ing local theatergoers.

George Spaulding and Edwin Mur-
ray take the stellar roles as comedians.
The cast includes the versatile
Jim Leslie, a clever character man,
Jim Guilford is a comedian with the
company who needs no introduction
to playgoers familiar with mainland
productions. Edith Newland is the
leading prima donna and is said to
possess a voice of wonderful power
and range. Petite little Audelle Hig-
gins is destined to make a hit with
the masculine patrons of the house.
The Devon Sisters have been engaged
as dancing substitutes. The musical
selections will be rendered under the
direction of Ralph Martin. The
Spaulding company has been brought
to the islands for an extended engage-
ment. Joel Cohen has spent some-
time on the mainland in securing a
company of players to meet the popu-
lar demand for high-class comedy.

The Paul J. Rainey pictures have
proved a welcome addition to the
amusement features offered at the Bi-
jou. The scenes depicted in the heart
of the African jungle have been edu-
cational as well as entertaining. The
matinee performance for school chil-
dren drew out a large crowd. It is
the intention of the management to
present the pictures at Ye Liberty
theater on Saturday afternoon for the
benefit of children.

The Paul Rainey pictures compris-
ing six reels of film hold the undi-
vided interest of the spectator to the
very end. Some wonderful glimpses
